Dear Fishbait:

I certainly am most happy to respond to your kind invitation to be with the Cherrydale Lodge #42 on 16 June, if something does not interfere. So let's plan on it and I will hope for the best.

It was good to see you the other day.
Warmest best wishes.

Sincerely,

(Signed) "RED"

Dear Red:

Please check your calendar and see what you are going to do on St. John's Day, which falls on Thursday, June 16, 1966. I hope you find it free and that you will be willing - I know that you are able and ready - to help us out as the speaker at Cherrydale Lodge #42, A.F. & A. M., here in the vicinity, specifically in Arlington.

You see, Red, I am on the committee known as the Masonic Education Committee, and last week I came up with Admiral James W. Kelly, Cheif of Chaplains, U. S. Navy, and now have been requested by one of our past masters who works for you and tells me that you would be just what our present Worshipful Master would like for this particular day. Why, I would even go so far as to let you pick your own subject. Could you want anything nicer than that?

So again, let me say, look at your calendar and see if June 16 is clear. We meet at 7:30 p.m. We will pick you up and deliver you safely to the Lodge and return you to your abode.

With best wishes to you and yours, I am

Gratefully yours,

William M. Miller, Doorkeeper
U. S. House of Representatives
